

Education and Awareness Evening

The Debenham Project is continuing to develop its support for carers of those with dementia, and those they care for. If you would like to know more about what is being done to help carers and to learn about the support that the professional agencies can supply, we have organised a series of presentations from key people.

The first session will be on September 8th in Dove Cottage, commencing at 7.30pm and lasting approximately 2 hours, when our speakers will be:

Louise Diss from Age UK - “The Role of Age UK in Dementia Care in Suffolk”

and

Stephen Dean from Suffolk County Council (ACS) on “HomeShield” and “Financial Inclusion & The Advice Visiting Team”

Information evenings on Oct.6th and Nov.18th have also been arranged with a further three in the New Year. Details will be available on The Project Website and in The Parish Magazine. We do hope that you will be able to join our volunteers and those who are carers.
