

**Richard Blackwell,  
MSc Payroll Management.**

Since retiring in 2020, I am trying to use my work experiences to assist with facilitating local community groups succeed in their endeavours. As an ex-parish councillor for Debenham, the contacts I have within the local authorities and the local community can be put to good use. Having lived in Debenham for over 25 years, I think I understand some of what is required in the village.

I have 3 grown up children and 6 grandchildren.
