	- Mary and I have continued to support one family, meeting with them regularly to touch base and support them to seek further support. - We are now able to signpost and attend meetings when necessary - I have met with two carers on request to allow them the opportunity to off load.					
Highlights:	- We are now directly working with Shaftsbury. Recently, Mary attended a meeting with a family to help identify their needs which will help moving forward. - We have supported a family to register with Shaftsbury so that they can move forward with a carer' assessment. (they had been waiting for two years) - We are now in touch with the Shaftsbury rep for this area and aim to					

	introduce her to all our families at Carer's Café or TLC.

Problems or Concerns:	• This work can be intensive and can be dependent on the availability of Mary and I.

Next Steps	• We are hoping that now we are in communication with other agencies, we will be able to direct families sooner as we identify changing needs • Trustee action – To identify who we will feed back too.
